Details:

This magnificent seaside property with garden, pool and sea-views is situated on the south-east coast of Menorca in the resort of Punta Prima. This area is well-known for its fine sandy beach and the beautiful colour of the water.

Very few houses here offer the relaxed and tranquil ambiance provided by this property, and its high-quality interior and exterior furnishings will provide the perfect change of scenery, combined with complete privacy.

It consists of 2 individual houses built on 2 separate plots of land. One was constructed in 1977 and the other in 1996. Since then both houses have been remodeled, renovated and refurnished, providing the perfect domicile for all year-round occupation, or to be used as a holiday home together with family or friends.

There are 2 separate entrances to the property, either via the main house or through an annex building which could be used by parents, older children, friends or personnel enabling joint occupation although still maintaining great privacy. The garden is perfectly maintained with a population of lovely native plants and flowers.

Both houses offer all the amenities to be expected in such a high-quality property, regarding both equipment and furnishings.

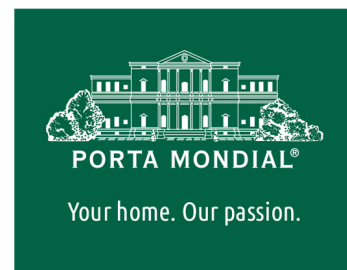

The house has a constructed area of 423 sqm distributed over 7 bedrooms, including 6 doubles, 4 bathrooms, 2 fully-equipped kitchens, diverse living rooms, an office, a very large garage, central heating and air conditioning.

In the exterior area there are several terraces, both covered and open, and the pool area gives the impression of being in a high-quality hotel on the other side of the world. Sea views are always present both from outside and inside the house, as this location is only a few minutes walk from the beautiful beach of Punta Prima with its numerous restaurants and shops.

An excellent purchase opportunity and a tranquil and private oasis which can be discovered with us either personally or by video. Please do not hesitate to contact us.
